Guillevin International ranks among Canada's largest distributors of electrical material. It is also a major distributor of safety products and equipment as well as industrial supplies. Its knowledgeable employees working in more than 100 Profit Centres in key locations across Canada ensure Guillevin's success by distributing a wide variety of products from selected world-class manufacturers.

DESCRIPTION:

Guillevin International Co. is looking for University and College graduates in business, general studies, science, engineering, sales and/or entrepreneurship. Candidates should have a strong desire to advance themselves, want to be evaluated based on their own performance and entrepreneurship, aspire to be future business leaders and want to have control over their career advancement.

We invite suitable candidates to join our CORPORATE MANAGEMENT TRAINEE PROGRAM. This fast paced, three-year program will prepare you to every facet of our business through a hands-on and structured training program. Successful graduates of our program will be considered to manage existing and new Profit Centres to continue our successful growth.

Guillevin offers exciting and challenging careers as well as a competitive Benefits Program.

Guillevin ensures equality in the recruitment and selection process by making employment decisions based on qualifications, relevant experience, knowledge and capability, demonstrated skills and accomplishments.

We thank all applicants for their interest, however, only those under consideration will be contacted.
