Building community through education and advocacy.

The BC Electrical Association is your link to the electrical community.

ABOUT THE BCEA

The BC Electrical Association is your link to the electrical community. The BCEA is a strong industry voice, a united front, provides industry education, and dedicated to promoting careers in the industry.

MISSION:

The BCEA is building communities through education and advocacy by providing leadership, integrity, networking, and knowledge.

CORE PURPOSE:

Building Community Through Education and Advocacy.

CORE VALUES:

Leadership, Integrity, Networking, and Knowledge.

If you are a part of the industry that depends on electricity, you need your electrical association. And the electrical association needs you!

WHY JOIN THE BCEA?

REASONS TO JOIN TODAY

- Specially designed education programs tailored to keep your employees up-to-date
- Over \$100,000 in endowments at Camosun Collage, BCIT, and Okanagan College.
- Weekly news briefs and periodic newsletter containing timely articles, news and the information you need about the electrical industry
- Events for interaction and networking with BC electrical industry stakeholders
- Participation in well-regarded and popular Thrive and LINK conferences.
- Special member discounted rates when participating in BCEA activities
- Electrical industry representation and liaison with government
- Medical benefits program
- Free membership to Boom Group with instant discounts at hundreds of local businesses around BC and Canada.
- Dedicated to promoting and educating our industry on diversity, equity and inclusion.

BCEA BENEFITS

COMMUNITY: There are many opportunities for you to get involved and be a part of our committees.

MEMBER PRIVELEGES: Member discounts with affiliated companies, medical program, UPS, Bellstar Hotels & Resorts, Refoca HR Services, Boom Group and the Sandman Hotel.

PHILANTHROPY: The BCEA chooses a charity annually where we raise funds as well as donate our time. Women's Network and the U40 Group volunteer their time to support other charities and initiatives.

EDUCATION: Workshops and PodCasts on safety, regulations, business improvement, and product presentations.

CAREER PROMOTION: Keeping viable workforce at the ready.
#keepingtheindustryalive

ADVOCACY: Representation for your company with provincial and local government on industry related issues.

NETWORKING: Opportunities for you and your staff to network at conferences, seminars, events, and other social events throughout the year.

COMMUNICATION: Weekly Power Up Newsletters, annual member directory and social media discussing industry news, outlooks on BC, and more.
