

Join a team that offers great hours, excellent benefits & a career to be proud of!

EECOL is a leading Electrical Products Distributor with 60 locations in Canada. Our employees stay for the long-term because we offer a rewarding and exciting career, not just a job! Just ask our President, Executives or Management team what great opportunities this company offers; most started out in the warehouse. You won't meet a more down-to-earth, hardworking and dedicated team. Visit us at www.eecol.com to learn more.

EECOL employees enjoy...

- Permanent, full time positions, Monday through Friday. Weekends and evenings are for friends, family and fun, not for work!
- Regular reviews, raises and bonus opportunities.
- We promote within; excellent opportunities to advance.
- First rate benefits including generous flex benefits, health & dental plan, disability, life insurance, vision care and a Pension Plan to save for retirement!

About the Job...

A typical day in Counter/Inside Sales:

- Greet all customers and see they are promptly and properly taken care of
- Answer counter and/or telephone inquiries for product information, pricing and delivery
- Receive and process customer orders, recommend substitutions, prepare and input sales data and expedite orders
- Process and monitor special orders and notify customers
- Assist customers picking up their orders
- Keep up to date and support new products and promotions
- Participate in all promotional activities and works with suppliers on counter days

Our ideal new team member:

- has counter sales experience
- has experience in the electrical industry
- is customer service oriented, motivated, energetic and goal driven
- has a strong desire to grow, learn and move up in our company

- has a strong work ethic

If you are seeking a long term career and are interested in joining the EECOL team, please submit your resume today:
