We take pride in living by our core values and carrying our mission statement of "Providing the Best People, Best Solutions in the Electrical Industry."

Why Join the EBH Team?

The People & Culture. You will be a part of a collaborative team with people you can be proud to work with.

The Perks. We offer a full benefits package with a competitive compensation plan with profit sharing, Employee Share Ownership Program (ESOP), and your birthday off.

Continuous Development. You will have access to our EBH University for personal & professional development. Training & Development has been an essential part of our culture. Increasing our knowledge not only builds confidence but empowers growth through learning.

About the role:

The **Electrical Customer Service, Inside Sales** representative, is responsible for building positive relationships with customers and suppliers through generating accurate quotations, sales orders, and returns that align with organizational sales targets. Inside Sales works closely with Outside Sales to provide excellent customer service, prevent potential issues, and monitor ongoing projects. In addition, this role will be required to work or cover at the counter to assist and interact with our customers.

Position Type/Schedule

This role will be onsite based out of the branch location. This is a full-time position, Monday-Friday. 40 hours per week.

Address: 12360 Vickers Way, Richmond, BC

What are the Key Accountabilities?

- **Customer Service Orientated.** Providing excellent customer service is key for this role as it will require maintaining and building customer relations through product quotations and sales.

- **Strong Multi-tasker.** This role will require you to juggle through a number of client requests and being able to meet competing timelines.
- **Collaborative Communicator.** Communication is essential for this role both verbally and written with our customers and being able to follow up in a timely manner.
- **Highly Organized.** Being organized is key due to the high volume of customer requests that will require you to adjust and work through interruptions.
- **Comfortable with Technology.** This role requires using the phone and computer to follow up on the customer's request and must be able to sit at a desk for 4+ hours per day.

What You'll Bring To This Role?

- High school completion
- 3+ years of customer service experience
- 2+ years of electrical/lighting industry experience
- Electrical/lighting product knowledge
- Intermediate computer skills with proficiency in MS Office & the ability to learn new software programs
- Basic mathematical skills
- Wide range of expertise in the products and services provided by E.B. Horsman & Son
- Project coordination experience
- Ability to be inclusive, collaborative, and respectful
